

GODDARD DESIGN GROUP

Designer: Chris Goddard. Company: Goddard Design Group, Arkansas, USA. An international, award winning, luxury residential & commercial design firm specialising in new build construction, historical renovation and retail/hospitality development. Current projects include a national recording studio for performance artists, a cutting edge, modern compound for a growing family and the renovation of a sprawling ranch estate. Recent work includes an ocean front penthouse in the Cayman Islands, a Manhattan penthouse and the restoration of a large pre Civil War farmhouse. Design philosophy: inheritable spaces that convey the presence of each client.
