

14. BRITTANY MCCARTY (McArtist) is an American abstract expressionist. Brittany uses highly saturated colours within her compositions to create ethereal colour field and abstract spaces. Mental illness and the experience of trauma is strongly represented in her works of fine art. Visit www.brittanymcartist.art and Instagram @brittanymcartistart to see more of her work and to commission an original.

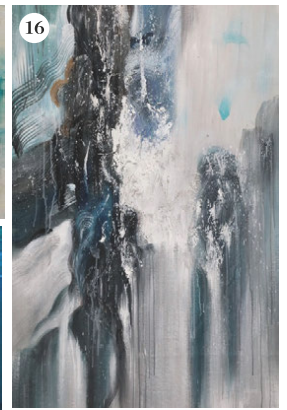

15. KUNSTLOFT stands for creativity, style and unique art that make any dull room shine. As pictured here, the veil of beige and turquoise on the hand-painted acrylic painting 'Consciousness' allows the golden shimmer to emerge and to form an elusive thought. Decorate your home with inspiring art purchased online from kunstloft.co.uk

16. Founded by Interior Designer Samantha White, **INSPIRING ELEGANCE** brings you luxury home furnishings. Their Art Collection is a carefully curated range of hand-selected original art pieces. All of their artwork is made to order and available in custom made sizes and frames. Visit www.inspiringelegance.com and Instagram @inspiringelegance to see more.

17. BRIANNE WILLIAMS is an oil painter who is completely captivated by water; capturing the feeling of weightlessness, the soothing hum of the water, the echoing heartbeat in your chest. The feeling of being fully immersed in a moment of sensation. Visit briannewilliamsartist.blogspot.com and Instagram @brianne_williams_artist

18. MOLLY O'MARA's fine art is inspired by her outdoor experiences such as skiing the Sierra Nevada and rafting through the Grand Canyon. Her powerful and colourful pieces combine mixed media, rich textures and engaging colours to produce elegant works that truly are a tribute to nature. See more of her work online at www.mollyoart.com Instagram @mollyoart

19. Accessorise and decorate with beautiful artwork and prints by **VLG STUDIOS**. Vanessa, the artist, creates striking and bold pieces of majestic and endangered species after being inspired by her travels across Asia and Africa. As well as original works, she has developed her pieces into prints and made them available as home decor and gift items to make a meaningful gift for a loved one. Shop online at www.vlgstudios.com

Living In Vogue

1. LUXEY MAISON's sustainable and exquisitely crafted scents are beautifully distinctive yet subtle in tone for your home.
